WTB TO ELIMINATE PAPER FACT SHEETS

In an effort to provide the most current information to consumers in a timely manner, the Wireless Telecommunications Bureau intends to stop publishing paper fact sheets effective April 1, 2001.

The information published on the Fact Sheets is easily accessible from the Wireless Telecommunications Bureau internet website at <http://www.fcc.gov/wtb> under Wireless Communication Services. WTB has the technology and staff to immediately update the web pages as changes occur, thus providing the most up-to-date information at all times. Users can view the information and print out a copy if necessary, eliminating the need to submit a written or verbal request to the FCC to obtain the document and wait for it to arrive in the mail.

The FCC's Consumer Center will provide copies of the web information to consumers who do not have access to the internet. For further information, call toll free 1-888-CALLFCC (1-888-225-5322).

This action will obsolete the remaining WTB Fact Sheets, PR5000 #s 4, 5, 6, 10, 11, 12, 13, 14, 15, 100, 101, 108, 200B, 200C, 200D, 201, 202, 204, 206-E, 206-S, 206-U, 206-V, 301, 302, 700, 701, 702, 703, 704 and 705.
